# Gradebook Comparison Guide

Enhanced Gradebook Filters is a Feature Option that can be enabled. Currently, it is in Feature Preview status. When the Enhanced Gradebook Filters feature preview is enabled for a course, instructors have all the functionality of the classic gradebook (with fewer clicks), plus additional filtering options, such as the ability to create and save filters for future use.

Enhanced Gradebook Filters New Features

Additional Filter Options	In addition to the original filters (Sections, Modules, Grading Periods, Assignment Groups) you now have additional filter options: Status, Submissions, and Start & End date.
Create & Save Filter Presets	Gradebook filters can be created and saved to filter the gradebook for different purposes easily.
Clearing all Filters	When a filter is applied you can easily clear all filters to see an unfiltered, full gradebook view.
