

Fourth Grade All Stars Weekly Newsletter

Week of Jan.28~Feb.1, 2019

Hello Parent/Guardian,

Welcome back to week 23 of school! We're getting closer and closer to the Georgia Milestones Assessment; therefore, please make sure your child is practicing their Reading, Writing, and Math skills daily. Look for more information pertaining to the Georgia Milestones to come home soon.

Looking Ahead this Week...

Jan. 29th PJO; Science Night

ELA NEWS

We will be working on Unit 4 Week 2 in Reading this week. Please allow your child to access Lexia Core 5.com and work on their Reading level at home. This will increase their reading level. Reading is fundamental to education.

Thank you for your support.

~Mrs. Allen

Math NEWS

Hello Parents!

This week in Math we are discussing the relationship between fractions and decimals and decimals place value (tenths and hundredths) Please continue to make sure that your child completes and returns homework assignments.

Science NEWS

Hello Students and Parents,

We will continue to explore:

How do lights interact with objects?

Is an object transparent, translucent, or opaque?

How is light reflected from a mirror?

How is sound produced and changed?

How can sound and light be used to communicate? ~Ms. Rodgers

Social Studies NEWS

We will continue on with Unit 3, Challenges of a New Nation. This unit will focus on how the beliefs and ideals of the individuals, groups, and institutions that made up our newly formed nation, in regards to the distribution of power within a society, led to conflict and change during the framing of the Constitution. This unit will also look at how location played a role in the beliefs and ideals of the populations of the individual states, fueling the debate over many of the major issues at the Constitutional Convention. ~Mrs. Woods
