MATH NEWS

Hello Parents! This week in Math, we are finishing up our *Division Unit*. We will be working on different strategies to solve long division problems. Continue to work with your child on basic multiplication and division facts. I have seen a lot of improvement lately and I am very proud of that! Next week, they will have an assessment on multiplying and dividing large numbers. It will be a performance task so NO STUDY GUIDES will be sent home this time. Thank you for all you do!
