

## Backyard Bubbles!

*Create crazy bubbles in your backyard using common household supplies!*

**Length:** 15 Minutes

**Difficulty:** Easy

### Supplies You Will Need

- For the Bubble Solution:
  - 1 Bucket or Large Bowl
  - 2 Cups Water
  - 4 Tablespoons Dawn Dish Soap (the blue one)
  - 4 Tablespoons Corn Liquid Glycerine
  - Large Stick/Spoon for Stirring
- For the Bubble Tools:
  - Toilet Paper/Paper Towel Roll
  - Gauze bandages
  - Tape
  - 1 Empty Plastic Bottle

### ACTIVITY INSTRUCTIONS

1. Pour water into the bucket.
2. Slowly add in the dish soap and gently stir to mix.
3. Add in corn starch and gently stir until completely mixed and let sit for 10 minutes.
4. To make a bubble blower, cut the bottom of a plastic bottle off.
5. To make a foam bubble blower, tape gauze to the bottom of a PVC or paper towel tube.
