## Weekly News Letter

Wk of March 4 ~ 8, 2019

### Hello Parents/Guardians,

Welcome back to another full week!  
As we get closer to report cards and GMAS testing, please stay on top of your child's progress, both academically and behaviorally, and on their assignments. We're trying really hard daily to prepare all students for success, but are faced with many challenges daily as well. Their academics is being severely effected by their behavior. Behavior must improve in 4th grade. Please continue to talk to and work with your child at home on their academics and behavior. Thanks so much for help in this matter.
