

## Welcome to Online Learning

If you already have a Canvas account from a prior semester, you may continue to use your Canvas username and password.

If you are setting up your Canvas account for the first time, do the following:

1. Go to CCP's Canvas site: <http://ccp.instructure.com> There is also a link to Canvas on the College website and MyCCP login page.

**New User/Don't know your password?**

Log In

[Login Instructions](#) [Canvas Guides](#) [CCP Helpdesk Help](#)

If you are a new Canvas user, do not enter any information in the boxes labeled "MyCCP Username" and "Password". Click on the "**New User/Don't know your password**" link (This is found under the "MyCCP Username" box, pictured left).

2. On the **next screen**, enter your MyCCP Username and click **Request Password**.

Community College of Philadelphia

Enter your MyCCP Username and we'll send you a link to change your password.

Request Password

[Login Instructions](#) [Canvas Guides](#) [CCP Helpdesk Help](#)

In a few minutes, you will get an email from Canvas in your CCP email account with a link to set your password. Click on that link and type your new password in both boxes.

3. Go to CCP's Canvas site: <http://ccp.instructure.com> (Please bookmark this link.)
