POLICIES

Attendance

UCPS policy states that student will receive a failing grade when he/she reaches 8 absences. If you are aware you are going to be absent, please let me know so we can make arrangements to keep up.

Late/missing work

Work will not be accepted after the unit has been completed. Missing work will receive zero points for that assignment. If you are missing work, be sure to get it in before the unit is complete.

GRADING

Homework

Quizzes

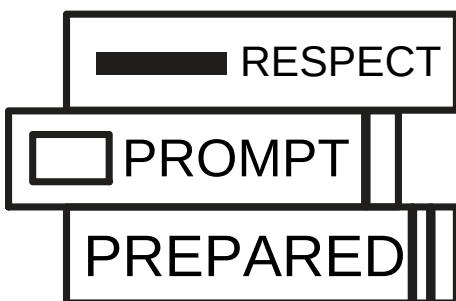

Test

If you are absent for a review day, you will still be expected to take the test on the scheduled day. All the review questions and answers are on my canvas page.

EXPECTATIONS

Cell phones are not to be out during class unless otherwise directed by me. Cell phones need to be put away and out of sight. If your phone is out during instruction, it will be taken away. If a phone is seen during a quiz or test then you will receive a zero for that assignment.

HOMEWORK

Not all homework will be collected as a grade. You will not know which homework I am going to grade and therefore ALL must be completed.

THROWBACK QUIZZES

There may be short quizzes completed at the beginning of class. They will be 5 questions each and may contain any material that we have covered so far in the semester. They may be given on any day during the week and no prior notice will be given.
