

Searching the University of Arizona Global Campus Library

Searching the University of Arizona Global Campus Library for topics associated with criminal and social justice:

- In the left navigation of the course website, please click on the “Writing Center & Library” tab, then choose “Library” on the next page.
- Click on the “advanced search” link located under the Library OneSearch search box.
 - In the first search box, type social justice
 - In the second search box, type criminal justice
 - In the third search box type one of the following: poverty, unemployment, education, or drugs.
 - Scroll down to the “date published” limiter and adjust the search dates to include only the last 5 years
 - Click the “search” button.
 - Review your search results and select a library resource to analyze.
