

WOODSTOCK NORTH HIGH SCHOOL

COLLEGE VISIT FORM

I, _____, am planning a college visit at _____, and will be absent on _____.

I realize that I am responsible for missed assignments and will inform my teachers of my pending absence. I also understand that to ensure I receive an "excused absence/college visit", my parents must call at least two days in advance to the Attendance Office. Additionally, I must obtain a note from a college representative to validate my visit. This note must be attached to this blue form and submitted to the Attendance Office within one (1) school day of my visit.
