

Watercolor Wax Resistant Activity!

Use a Crayon to make designs in your watercolor!

Length: 1 Hour **Difficulty:** Easy

Supplies You Will Need

- Water Color Paper
- Water Color Paints
- Paintbrush
- Paper Towel
- Cup of Water
- White Crayon

ACTIVITY INSTRUCTIONS

1. Use a white crayon to make a design on water color paper.
2. Making sure that your crayon marks are at least three coats, to ensure vibrancy.
3. Go over that crayon design with the water color pattern of your choosing.
4. Use water to blend the colors together!
5. Let it dry and you have your masterpiece!
