

**Welcome to HEED 202 Health Education
Distance Education Summer 2019**

Welcome to HEED 202! I look forward to working with you all this Summer 2019 semester! Please read the information below which will give you information related to class access and the textbook requirement. If you have any questions, please email me at the email listed below.

Instructor: Jenel Guadagno

Email: jenel_guadagno@cuesta.edu

Course Start Date Online: Monday June 17, 2019

Reminder: This is a 6 week course and will end July 26, 2019

This course is fully online. There are no mandatory meetings.

COURSE DISCRIPTION

Presents the major health topics and provides an introduction to health careers, emphasizing the prevention of non-communicable conditions, promotion of health and fitness throughout the lifespan, and the application of current research in health to affect behavior and lifestyle changes. Health topics are discussed from a multi-dimensional perspective including examples from a variety of ethnic minority groups.

STUDENT LEARNING OUTCOMES

1. Demonstrate accurate analysis of the nutrients, ingredients, and calories from fats, proteins, and carbohydrates on food label.
2. Apply media literacy tools to evaluate the credibility and reliability of health literature.
3. Demonstrate accurate association between food choices, stress, exercise, environmental factors and your risk of major non-communicable diseases.
4. Evaluate lifestyle changes you have made or plan to make as a result of taking health class.
5. Develop a plan for lifestyle changes that will reduce your risk of major non-communicable or communicable disease based on your family health history and/or current lifestyle choices.
6. Critique the process you have made by engaging in your personal physical fitness plan.

REQUIRED TEXTBOOK

Please recognize that an online class does require just as much time as a traditional face to face course. It is very important that you keep up with the readings, assignments, quizzes, tests, discussions, etc. Once you get behind it can be a challenge to catch up in this course. I **do not** accept any late assignments no exceptions.

If you have questions regarding the class, please feel free to contact me at the email listed above and I will do my best to answer your questions or refer you to someone that can answer your technology needs.
