

**2022 Pathways Summer Intern Program
With NAVAIR Fleet Support Teams (FSTs)
At Fleet Readiness Center East (FRCE)
Cherry Point, North Carolina
Opening Early January 2022**

Applications for summer engineering internship positions will be accepted in early January through www.usajobs.gov. The recruitment office will send out an email with the job announcement link when the announcement opens. (See the announcement for eligibility requirements.)

HELPFUL TIPS:

- Prepare now by creating an account and filling out your profile on the USA Jobs website www.usajobs.gov.
- Gather and be prepared to upload your (1) resume (or create your resume using the USA jobs resume builder) and (2) current unofficial transcripts. If you are a graduating high school senior, please also be prepared to upload your college acceptance letter as supporting documentation for proof of enrollment.
- Watch your email for the job announcement link and notification of when the position will be open on USA Jobs.
- Print out the complete job announcement before you begin your application and highlight important details.
- Upload a resume or use the resume builder in USA Jobs. If you choose to upload a resume, please make sure it includes all the required information stated in the job announcement.
- Follow instructions carefully. Errors or omissions can affect your rating or consideration for employment. Double check everything before submitting your application.
- Be sure to complete any requested forms or questionnaires.
- Don't wait until the last minute prior to the application deadline to submit. Document uploads may take several hours to clear the virus scan process.
- Watch your email after submissions for notifications regarding next steps and your application status.
