Sanford Health and the Good Samaritan Society in Bismarck are looking to add to our growing family!

Sanford Bismarck Medical Center is looking to add compassionate Inpatient RNs who will provide exceptional service to our patients and help them with their care.

We also have many opportunities available at our long-term care facilities in Bismarck/Mandan. These Good Samaritan Society facilities provide a network of services personalized to what our residents need. Current openings include: RNs, LPNs, and CNAs with various shifts available as well as a sign-on bonus.
