Groups in Society:

1. How does a dyad and triad differ? Find somewhere in history where a Dyad moved to a Triad and how did the social dynamic change?
2. How do formal groups and informal groups differ? Give me three examples of each type of group:
3. How do primary groups and secondary groups differ? Give me two examples of each type of group:
4. What role do in-groups and out-groups play in high school life?
5. How do groups function? Do all groups have a social structure?
6. When large formal organizations are created what type of structure, do they have?
7. How effective is a bureaucracy?

When you are finished you should share this with Coach Niessner at:
