

## Critique Sheet for Analyzing Works by Other Artists

First glance (jot down short phrases with your first impression):

Subject Matter: (Check the title if any. Is the work representational or abstract, what do you see in the work?):

Media (Describe and Identify the Materials used. Check the caption, if available):

Elements (Identify and Describe the use of each that apply:

Line

Shape

Texture

Color

Space/Volume

Value

Composition (describe how the elements are arranged, use of space, areas emphasized, and if balance, rhythm, unity and variety are evident):

Meaning (How do elements, plus your interpretation, convey meaning in this work? Compare with your fist impressions):
