

# Reading Questions for Tuesday, March 12, 2019

We ask you to submit comments on the following papers by midnight Monday March 11:

- Interledger protocol V4.
- Interledger architecture.
- Interledger whitepaper.

Your comments should include both answers to the specific reading questions and generic response about the papers. You are welcome to include any questions you have about the paper in your comments. After submitting your own comments, you'll be able to see others' submitted comments. You can comment on others' submissions and answer raised questions on Canvas. Discussion on Canvas is strongly encouraged.

## 1 Reading Questions

1. We have read the paper on Lightning network on 2/28. What do you think are the similarities and differences between Interledger and Lightning?
2. Can you think of a few ways that connectors in Interledger can make money?

## 2 Generic Response

Respond to the papers following the guidelines in the course syllabus (under "Submit Comments and Presenting Papers").
